

# Coaching Experiences...

*“I had many sittings with Kalpesh on different topics in last 3 to 4 years. At the end of every sitting, I learned something new.*

*He is very calm, composed, very positive in thoughts & always ready to help.*

*I wanted to express my sincere appreciation for the outstanding consulting services provided by Kalpesh. His expertise, dedication and strategic insights significantly contributed to the success of our company. I am impressed with his professionalism and the value he brought to our company. Looking forward to future collaborations”*
